*California Recovery Center, a top-rated drug and alcohol abuse treatment provider in Roseville, California, announces the promotion of Jody Ressio as President.*

ROSEVILLE, CALIFORNIA, UNITED STATES, June 1, 2023 /EINPresswire.com/ -- It is our pleasure to announce the promotion of Jody Ressio as President of [California Recovery Center \(CRC\)](#), a top-rated drug and alcohol abuse treatment provider for working professionals, first responders, and veterans. As a highly accomplished professional with 33 years of corporate experience, Jody brings a unique blend of leadership, strategic thinking, and clinical expertise that will help continue CRC's exponential growth and steer the organization toward its mission of providing first-rate treatment and support to individuals struggling with substance use disorders and co-occurring mental health concerns.

Jody Ressio, California Recovery Center President

According to Will Mentesh, Founder and CEO of California Recovery Center, "Jody has a proven track record of building and leading high-performance teams, developing innovative programs, and driving sustainable growth. Her passion for promoting access to quality healthcare and improving outcomes aligns perfectly with CRC's values."

As President, Jody will oversee all aspects of the operations and execution of corporate strategy. Her leadership style is collaborative, inclusive, and focused on empowering our staff and clients to achieve their true potential.

"I am honored to be the President of California Recovery Center. I am deeply committed to helping individuals overcome their struggles and achieve lasting recovery. I believe that CRC's compassionate and comprehensive approach to treatment can truly make a difference in the lives of those struggling with addiction, and I am eager to lead our team in this important work," shares Jody.

"We are confident that Jody's appointment will strengthen CRC's position as a leading substance use disorder treatment and support services provider," adds Will. "With her promotion, I will be able to focus on broadening our footprint and the addition of new brand extensions that will continue to drive revenue and client experience, such as CRC Labs."
