

Jobma Recognized as Spring 2023 Category Top Performer by SourceForge

Jobma, a leading video interview software provider, has been recognized as a category Top Performer by SourceForge selected from over 60,000 products.

MINNETONKA, MINNESOTA, UNITED STATES, June 1, 2023

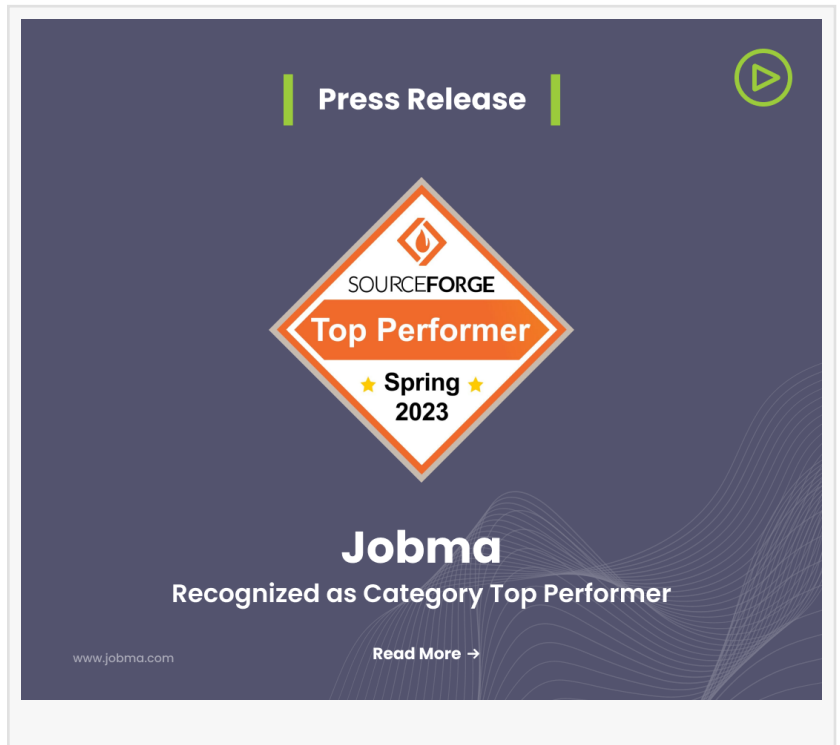

/EINPresswire.com/ -- [Jobma](#), a leading provider of [video interview software](#) has been recognized as a category Top Performer by [SourceForge](#) - a leading software directory and review aggregator for business software. Jobma has been selected from over 60,000 products on SourceForge.

Jobma's recognition as a category top performer is a testament to the company's commitment to providing its customers with the best possible video interview software powered by AI at a competitive price.

"We are thrilled to announce that Jobma has been awarded the prestigious SourceForge Award. This recognition underscores our commitment to providing innovative solutions in HR Tech," said Krishna Kant, Managing Partner at Jobma. "We are grateful for the recognition and remain focused on revolutionizing the hiring landscape through continuous innovation and user-centric design."

Video interviews have become an indispensable tool for businesses globally. Recognizing the evolving needs of its customers, Jobma has invested significant resources in developing and implementing AI-driven functionalities that empower employers to streamline their recruitment procedures and identify top talent efficiently.

Jobma's video interview software is a powerful tool that helps businesses significantly reduce time-to-hire, increase efficiency, and ultimately drive growth. The product's recognition as a category top performer by SourceForge makes it an even more valuable and trusted tool for businesses of all sizes.

We are thrilled to announce that Jobma has been awarded the prestigious SourceForge Award. This recognition underscores our commitment to providing innovative solutions in HR Tech.”

Krishna Kant
