

Highlights from the Round Up News Magazine - June 1, 2023

The latest news and trends for the construction, building and design community

SUNDRE, ALBERTA, CANADA, June 1, 2023 /EINPresswire.com/ --

Construction Links Network is a unique news platform where members "Get More Eyes" on their digital content and increasing their SEO.

The network includes thousands of Canadian construction managers, contractors, developers, building managers, property managers, architects, designers, engineers, government officials and more.

Members use this platform to share and onboard their digital content on the Internet, through social media and our popular Round Up News Magazine. Ideal for product / service releases, company announcements, blogs, podcasts, webinars, case studies, videos and more.

Top videos this week include Civil Mentors discussing construction contracts - from the basics to more advanced negotiation techniques. Also, on May 13 Community Benefits celebrated The Building Diversity Awards in Toronto. The annual event recognizes and awards exemplary contractors, unions and client / owners as well as industry champions who are leading in diversity, equity and inclusion to increase the participation of Black, Indigenous and racialized workers, including youth, women and newcomers within their organizations.

Content shares from members this week include:

- Kee Safety Canada - [Kee Safety to Host Open Day for New Fall Protection Training Centre](#)

content sharing - construction links network

- OnTraccr Technologies - Supercharge your Construction Business with Metric-Driven 'Smart' Tracking Boards
