/EINPresswire.com/ -- [Exigent Technologies](#), a technology services provider committed to unleashing the potential of small to mid-sized businesses through collaborative partnerships, exceptional service, and comprehensive managed IT solutions, has earned the newest [Microsoft Cloud Solution Partner Designation](#),

recognizing its enduring partnership with one of the world's largest technology vendors, as well as the organization's extensive expertise with Microsoft Cloud solutions.

In a letter from Microsoft, Exigent was notified of its new Microsoft designation as a Solutions Partner for Modern Work in late May. The software vendor leverages partner designations to validate partner capabilities and expertise, making it easier for businesses to identify a trusted IT partner that can reliably deliver and support Microsoft solutions.

"The Solutions Partner designation demonstrates your organization's technical capabilities, experience, and ability to deliver successful customer outcomes aligned to the Microsoft Cloud," wrote Nicole Dezen, Chief Partner Officer and Corporate Vice President, Global Partner Solutions for Microsoft. "Your organization is one of the first Microsoft partners to attain this designation and I'm excited to celebrate this achievement with you. ...Thank you for your commitment and for the investment you're making in our partnership and in delivering customer success."

Exigent has been recognized throughout its tenure as a Microsoft partner, earning Microsoft Gold status several times as it has continued to build expertise around the Microsoft portfolio of solutions. Exigent offers consultation services for Microsoft Azure, as well as Microsoft 365. The managed IT services provider also works daily with Microsoft products across its customer base,
