

Fifth Anniversary of Engage Workspace for Lawyers

Engage Workspace for Lawyers, a co-working office space for attorneys only, proudly celebrates its Fifth Anniversary!

DALLAS, TEXAS, UNITED STATES, June 1, 2023 /EINPresswire.com/ -- Engage Workspace for Lawyers, a co-working office space for attorneys only, proudly celebrates its Fifth Anniversary. Due to its success, it signed a lease extension providing substantial renovation of the space and amenities, making it an even more compelling value to members.

“Engage was created by lawyers, who used their experiences of running law firms and designed a co-working space to help fellow attorneys start and operate their practices, all in a professional environment that enables networking,” said Darin M. Klemchuk, co-founder and office member of Engage.

The renovations of Engage include:

- Complete remodel of the kitchen and snack bar area (cabinets, flooring, lighting, paint, furnishings)
- LED overhead lighting installed throughout all common areas, interior offices, and conference rooms
- Upgraded flooring in main high-traffic area plus new carpet in the conference rooms
- Lighter paint color in all hallways, common areas, and conference rooms
- Main entry doors locks being replaced with card key access

Engage is a lawyers-only executive suite operating across the 10th floor of a Class A office building on Central Expressway at Northwest Highway in Dallas. Although Dallas has numerous other executive suites, virtual offices, and co-working spaces, only Engage was created by lawyers, for lawyers. Core to the business is creating a secure, professional environment that provides members with the image and resources that lawyers need.

Like many shared-office spaces, it offers virtual and private offices, co-working spaces, conference rooms, mail handling, guest reception, Internet access and more. Engage membership also includes free parking, 24/7 access, full kitchen with complimentary snacks and beverages, and use of the fitness center.

Thank you for helping make Engage a success!
