“Over the past three decades, I've experienced tremendous success as a woman in the male-dominated construction industry, and I want to share what I've learned along with real-life stories to inspire other women no matter what field they're working in,” said Julie Laughton, CEO of Julie Laughton Design Build. “Building your life is just like building a custom home. It all starts with a good plan.”

Having completed over 1,000 remodels and custom homes along affluent coastal communities in Orange County, California, Julie shares her extensive expertise, industry secrets, and personal anecdotes to guide individuals, entrepreneurs, and aspiring homeowners in making their

dreams a reality. From practical advice on interior design and home improvement to strategic business tips and success stories, Julie brings her unique perspective and passion to every episode including topics such as “How to Avoid a Nightmare Remodel” and “My Passion for Supporting Women in Construction.”

The Julie Laughton Living podcast is available on all major podcast platforms, including Apple Podcasts, Spotify, and Google Podcasts. Listeners can subscribe to the show to receive regular updates on new episodes and gain access to a wealth of knowledge that will transform their perspective on design, construction, and personal growth.
