Choose We Level Up for exceptional mental health treatment.

Get to Know The Joint Commission: Your Assurance of Quality Healthcare

Established in 1951, The Joint Commission (JC) is a nonprofit organization committed to improving patient care by evaluating healthcare organizations. Their methods inspire medical facilities to deliver superior, trustworthy, and knowledgeable care. With over 1,000 employees and offices in Illinois and Washington, D.C., The Joint

Commission has a team of medical professionals, managers, educators, and consumer advocates working tirelessly to maintain a standard of excellence in mental health treatment.

What is The Joint Commission Accreditation and Review Program?

The Joint Commission accredits healthcare organizations across the US, ranging from hospitals to treatment facilities like the We Level Up WA mental health center. With over 22,000 organizations having received their stamp of approval, they have become the gold standard in the healthcare industry. By following their strenuous guidelines, organizations can achieve the Joint Commission's gold seal of approval, which sets the bar for the entire industry and helps ensure high-quality care.

At We Level Up treatment centers, we are proud to meet and meet and exceed the Joint Commission's high standards for behavioral health care.
