Andrew Gold's pastiche psychedelic masterpiece featuring 10cc legend Graham Gouldman on CD and Limited Edition Double 10-inch LP Splatter Vinyl

ASHEVILLE, NC, USA, June 1, 2023
/EINPresswire.com/ -- Andrew Gold's pastiche psychedelic masterpiece "The Fraternal Order of the All – Greetings from Planet Love" will be released on CD on July 28, 2023.

Initially released in 1997, the album was conceived by Andrew Gold as a tribute to late 60s psychedelic rock. His remarkable compositions were wonderful stylistic evocations of artists such as The Beatles, The Beach Boys, The Byrds and The Doors.

The project saw Gold create the fictitious band The Fraternal Order of the All, in reality Andrew playing most of the instrumentation and singing, along with guest musicians such as 10cc legend Graham Gouldman.

Also available as a limited edition double LP is pressed on 10-inch colored splatter vinyl and features a newly designed lavish gatefold sleeve.
