

Introducing Mortrack: The Pioneering Decedent Management Software Revolutionizing the Funeral Industry

LITTLETON, CO, USA, June 2, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- Today,

Cairnstrack is proud to announce the latest version of its innovative software, Mortrack. It is designed to streamline the decedent management process from the place of death to the final rest place. Mortrack is poised to transform the funeral industry, offering an array of features designed to improve efficiency, transparency, and client confidence for funeral homes, company administrators, removal team managers, funeral directors, and removal techs/contractors.

The Mortrack software offers key benefits that include:

Streamlined Operations Through Electronic Documentation: Mortrack leverages the power of electronic documentation to dramatically reduce time spent on manual tasks such as filing, searching, and copying. This efficiency leads to increased productivity and profitability, helping businesses to make the most of their time and resources.

Increased Clarity and Visibility: The intelligent notification system in Mortrack alerts users of pending requests, eliminating unnecessary site visits and reducing the risk of exposure. This functionality makes Mortrack a secure and highly efficient platform for managing a decedent case load.

Enhanced Customer Confidence: Mortrack enhances client trust by providing undeniable proof of the loved one's journey via comprehensive documentation and tracking features. This transparency creates a reliable system that elevates the overall client experience.

On-The-Go Transparency: The Mortrack mobile app provides real-time updates, allowing users to stay on top of their decedent case load from anywhere, at any time. This access to critical case

information, progress updates, and alerts ensures total transparency.

Mortrack also offers:

Accountability: Mortrack sets your team up for success by fostering consistent behavior and aligning company values to ensure predictable outcomes. Offer your clients a best-in-class experience from the first interaction to follow-up.

Efficient Time Management: By automating and combining manual or repetitive tasks, Mortrack helps teams save time and focus on what truly matters, fostering the growth of successful organizations.

Chain of Custody: Mortrack handles the chain of custody logistics, from the moment the decedent is collected. Leave the documentation management and personal effects cataloging to Mortrack, allowing you to focus on human interactions.

Professionalism: Mortrack enhances the perceived professionalism of your organization by improving efficiency and demonstrating a transparent, efficient, and respectful decedent journey.

Interested parties are encouraged to visit mortrack.com to schedule a demo, sign up for a free trial, or learn more about how Mortrack can transform their business.

About Mortrack

Mortrack is a ground-breaking software solution designed to revolutionize decedent management in the funeral industry. By combining technology with compassion, Mortrack streamlines processes, enhances transparency, and increases client confidence, setting a new standard in the decedent management process.
