A customer named Aaron left a review on Amazon and tells readers that he enjoys reading the book, "The Strength of the Nation," because the author makes one understand the importance of patriotism, the role of the state, and why people should put God before all their plans. "This book will open your eyes to state affairs and why nations either grow or fail. The language in the book is easy to understand and the tone the author uses is friendly. I appreciate the facts in the book and the many historical lessons shared." he added.

Luisa Mirella Plancher was born in Italy. She was given the opportunity to study and moved to the United States of America after the country assisted her in obtaining a degree in Education and became a school teacher.
