

# YUMZ Lab Has Announced Its Entry Into The Mushroom Wellness Market

*YUMZ Lab is also offering free shipping across the United States.*

LOS ANGELES, CALIFORNIA, UNITED STATES, June 3, 2023

/EINPresswire.com/ -- A revolutionary startup based out of Los Angeles, California, [YUMZ](#), is delighted to announce its entry into the mushroom wellness market. They are pioneers in the development of [Mushroom Gummies](#).

Understanding mushrooms' immense potential for promoting overall wellness, YUMZ, has developed a unique range of products that contain 0.00% psilocybin, ensuring they are legal for consumption across 50 states. Due to current regulations, the company will not be shipping to Louisiana.

Produced in a state-of-the-art Las Vegas laboratory, YUMZ products follow rigorous quality and safety standards. Leveraging cutting-edge research and innovative extraction techniques, the company ensures that each of its gummy products delivers the most potent compounds for best experience.

YUMZ mushroom gummies, available now, come in a variety of flavors and are packed with compounds derived from the Amanita Muscaria mushroom. YUMZ gummies are a delicious and easy way to incorporate natural and legal psychoactive mushrooms into your daily routine. The company uses a strict age-verification process to ensure its products are only purchased by customers who are 21+ and older.

With their innovative and legal approach to harnessing the power of mushrooms, YUMZ is positioned to significantly impact the mushroom industry.
