LOS ANGELES, CALIFORNIA, UNITED STATES, June 3, 2023

/EINPresswire.com/ -- The [Church of Scientology](#) transformed the intersection of Sunset Boulevard and L. Ron Hubbard Way into a summer fair for local families. Young Angelinos shot down the water slides and frolicked in the splash pool. The community gathering marked the unofficial start of the summer season.

There was complimentary cotton candy and popcorn, and a donut-eating contest. Laughter and music filled the air all day.

Then mid-afternoon, an a cappella rendition of the national anthem marked the beginning of a remembrance ceremony, honoring those fallen in service to America. Navy Master Chief Petty Officer Christopher Penton spoke of the significance of Memorial Day.

The Church of Scientology Los Angeles is an Ideal Scientology Organization, configured to service Scientologists in their ascent to spiritual freedom and serve as a home for the entire community—a meeting ground of cooperative effort to uplift people of all denominations.

Bubble machines were one of the favorite activities at the L.A. Memorial Day festival on L. Ron Hubbard Way.
