"We've noticed a significant increase in families seeking assistance with food since the end of additional SNAP benefits put in place during the COVID-19 pandemic in February this year", said Arnold Stalk Founder, SHARE Village Las Vegas. "Food insecurity remains a problem for thousands of families, individuals, seniors, and United States Veterans in the Las Vegas Valley. The SHARE Village Community Pantry is here to help anyone in need."

The SHARE Village Community Pantry was established as part of the SHARE Village Las Vegas mission to provide essential resources and services to individuals and families who are homeless or at risk of becoming homeless. Through their partnerships with local organizations such as Three Square Regional Food Bank, Feeding America, and local businesses SHARE Village Las Vegas is able to provide nutritious food, water, and other necessities for people in need throughout the community.

The pantry provides free groceries to anyone in need of assistance. It is open twice weekly on Tuesdays and Thursdays from 8:00 am until 10:00 m at 50 N. 21st St., Las Vegas, Nv, 89101. In addition to providing groceries through their pantry, SHARE Village also offers personal and feminine hygiene supplies and pet supplies and happily accepts donations of these items from

individuals and businesses throughout the valley.

"I am humbled by what we have accomplished so far at SHARE Village," said Jacob Stalk, SHARE Village Las Vegas Board Member/Community Liaison. "It's been an incredibly challenging year so far for so many people, but I'm encouraged by our success and look forward to continuing our mission."
