

Over 20 Startups in Cape Town Recognized in HackerNoon's "Startups of the Year 2023"

HackerNoon, the technology publishing company, is pleased to announce the nominees for Startups of the Year, featuring innovative companies in Cape Town.

CAPE TOWN, SOUTH AFRICA, June 5, 2023 /EINPresswire.com/ -- HackerNoon, the technology publishing company, is pleased to announce the nominees for its annual "[Startups of the Year](#)" award, featuring the most promising and innovative companies in the Cape Town startup ecosystem.

Startups of the Year 2023 is a community-driven voting platform that recognizes startups that are changing technology and the world for the better. Starting May 8th, 2023, the internet can nominate and vote for the best ventures in their city. The voting period will remain open until December 31, 2023, and winners will be announced in January 2024 after a comprehensive evaluation by the HackerNoon team.

“

We are thrilled to recognize the top startups in Cape Town and celebrate their achievements. These startups are redefining what it means to be innovative, and we are honored to showcase their work.”

*David Smooke, HackerNoon
Founder & CEO*

In its previous iteration, a total of 44,427 startups were nominated in 16 different regions, and the community cast 234,344 votes during a 6-month long campaign in favor of budding companies that were growing and trending across every major city in the world. The 1,382 winners received perks from sponsors, like 3,000 Brex Points, and a tech

company news page from HackerNoon.

The 2023 Cape Town startups list, compiled by the HackerNoon team, showcases over 20 startups that are making significant contributions to the Cape Town economy and driving innovation in their respective industries.
