Small Business Owners Create Inroads into Government Contracting through the International Association of U.S. Federal Contractors.

ORLANDO, FLORIDA, UNITED STATES, June 5, 2023 /EINPresswire.com/ -- [MarketAtomy](#) LLC, a pioneer in providing business growth strategies and skills-based learning, is thrilled to announce its strategic partnership with the International Association of U.S. Federal Contractors ([IA U.S. GC](#)), an expert in federal contracting coaching and mentoring. This partnership is designed to empower small businesses to confidently pursue lucrative [government contracts](#).

The collaboration brings together MarketAtomy's renowned expertise in business development and education and IA U.S. GC's niche specialization in federal contract acquisition. This dynamic partnership aims to bridge the gap between small businesses and the often-daunting world of government contracting.

"The opportunity to partner with IA U.S. GC represents a significant milestone for us," said MarketAtomy's CEO Danna Olivo. "We believe this alliance will provide our clients with the resources and knowledge they need to compete effectively in the government marketplace."

IA U.S. GC and MarketAtomy share a common goal - to help small businesses thrive regardless of the economy. Together, they aim to provide seamless, comprehensive guidance to businesses looking to navigate the complexities of securing government contracts. The partnership will offer a wide range of services, from identifying suitable contracts to preparing compelling bids and
