

Kia Introduces the All-New 2024 Kia Seltos

The 2024 Kia Seltos SUV combines capability with advanced technology and premium convenience features at an exceptional value.

IRVING, TEXAS, UNITED STATES, June 5, 2023 /EINPresswire.com/ -- The all-new 2024 [Kia](#) Seltos is the latest in a promising line of EV (electric vehicle) cars and SUVs that the prominent auto manufacturer plans to bring to market over the next few years.

The [Kia Seltos](#) is available in both front-wheel and all-wheel drive, and there are three different engine options to choose from. The base engine is a 2.0-liter four-cylinder that makes 146 horsepower. There's also a 1.6-liter turbocharged four-cylinder engine that makes 175 horsepower, and a 2.4-liter four-cylinder engine that makes 240 horsepower. All three engines are paired with a seven-speed automatic transmission.

The Seltos has a starting price of \$23,490, which makes it one of the most affordable SUVs on the market. It's also one of the most well-equipped, with standard features that include LED headlights, a 10.3-inch touch screen, Apple CarPlay and Android Auto, a six-speaker audio system, and more.
