According to Dome Fest West founder Ryan Moore, "We're thrilled to be able to provide a completely virtual event for showcasing fulldome films and promoting independent artists. We're excited to present an incredible lineup and can't wait for viewers to experience it."

****About Dome Fest West****

Dome Fest West is dedicated to advancing and elevating the world of immersive experiences. Through showcasing excellent content, innovative technology, and new industry solutions for creating and delivering immersive media, Dome Fest West strives to support and educate immersive artists, storytellers, world builders, and technologists. By building bridges with entrepreneurs, investors, and allied organizations, Dome Fest West aims to promote immersive media and attract new generations of audiences, enthusiasts, and makers.

****About the Society for Arts and Technology****

Founded in 1996, the Society for Arts and Technology [SAT] is a non-profit organization dedicated to digital culture. With its triple mission as a center for the arts, training and research, the SAT is a gathering space for diverse talent, curiosity, and knowledge. It is recognized internationally for its active, leading role in developing technologies for immersive creation, mixed realities and telepresence. The Society for Arts and Technology is a place of collective learning that holds the promise of exploring technology to infuse it with more meaning, magic and humanity.

****About Satellite****

Satellite is an immersive web platform dedicated to artists and cultural organizations. The Satellite virtual space, based on the Mozilla Hubs technology, adds specific functionalities for the creation and broadcasting of immersive works such as a 360° visualization tool. Accessible from

any web browser, this transdisciplinary platform is a playground for a new generation of artists from around the world.

Limited free tickets are available now via Eventbrite. Access links to those tickets are available on the DomeFestWest.com homepage. Don't miss your chance to experience the latest in fulldome films!
