

Veripath Farmland Partners Announces First Capital Closing of RRSP-Eligible Farmland Investment Offering

CALGARY, ALBERTA, CANADA, June 27, 2023 /EINPresswire.com/ -- [Veripath Farmland Partners](#) ("Veripath") is pleased to announce the first capital closing in its RRSP-eligible farmland investment vehicle. Veripath's new RRSP-eligible offerings include both short- and medium-term hold periods (1 to 4 years) to give investors maximum flexibility.

Veripath operates on the conviction that worldwide demand for the agricultural products used for food, feed, and fuel makes farmland a valuable long-term investment. In addition, farmland has demonstrated a strong historic capability of hedging both inflationary and stagflationary economic climates and has provided valuable correlation and volatility reduction benefits to the returns of traditional 60/40 portfolios.

Disclaimer: This document is for information only and is not intended to provide the basis of any credit or other evaluation, and does not constitute, nor should it be construed as, an offer to sell or a solicitation to buy securities of Veripath, the Funds or any other entity, nor shall any part of this document form the basis of, or be relied on in connection with, any contract or investment decision in relation to any securities. No reliance should be placed on the completeness of the information contained in this document. This document is not intended to be a comprehensive review of all matters concerning Veripath. Prospective purchasers of this investment opportunity may be provided with formal offering documents and will need to be qualified for investment prior to making any investment. No person has been authorised to give any information or to make any representation not contained in such formal offering documents. No securities regulatory authority or regulator has assessed the merits of the proposed offering or reviewed any of the offering documents. This investment opportunity is speculative and involves a high degree of risk. There is a risk that any investment made will be lost entirely or in part. Only prospective investors who do not require immediate liquidity of their investment and who can afford the loss of their entire investment should consider this investment. This document may

contain forward-looking information and statements (collectively, "forward-looking information") within the meaning of applicable securities laws. Forward-looking information is provided for the purpose of providing information about the current expectations and plans of management of Veripath relating to the future. Readers are cautioned that such information may not be appropriate for other purposes. All statements other than statements of historical fact may be forward-looking information. More particularly and without limitation, this document contains forward-looking information relating to Veripath's investment objectives and strategies and its expectations with respect to the benefits of investing in Canadian farmland. Forward-looking information is based upon a number of assumptions and involves a number of known and unknown risks and uncertainties, many of which are beyond Veripath's control, which would cause actual results or events to differ materially from those that are disclosed in or implied by such forward-looking information. Although management believes that expectations reflected in such forward-looking information are reasonable, undue reliance should not be placed on forward-looking information since no assurance can be given that such information will prove to be accurate. Veripath does not undertake any obligation to publicly update or revise any forward-looking statements except as required by applicable securities laws. There is no guarantee of performance and past or projected performance is not indicative of future results.
