A Path to Excellence Literary Titan Golden Book Award Tony Jeton Selimi

This book reveals the secrets behind Tony's global client's phenomenal achievements, personal growth, and business success as an internationally recognized award-winning author, transformational life and business coach, speaker, and trainer specializing in human behavior and maximizing human potential. It is the winner of the Main Crest Media Book Award, and it has received Readers' Favorite five-star reviews. It offers a step-by-step path to address life predicaments mindfully, identify, overcome, and control distractions and sharpen your focus.

"When life overwhelms you with challenges, traumas, and excruciating pain, the idea of growing into your most significant potential and achieving excellence becomes unattainable or impractical. The pursuit of excellence will always be the better option when compared to settling for mediocrity," Selimi states. "I wrote the book because I know one essential thing in life is achieving growth and fulfillment and living a life you deserve and love - not just winning and succeeding but also achieving excellence in what you do. Your life can be more by healing your body-mind, developing a growth mindset, and using your emotional and analytical faculties intelligently. I want to give them (readers) a road map to win the inevitable and ever-evolving life challenges and the battles they'll encounter on their journey to grow into their fullest potential. You can build the confidence and certainty to successfully liberate yourself from the emotional baggage and distress by fully completing the eight-step Octagon of Excellence method and developing a new way of thinking and being that will transcend your mind and elevate your

living, igniting a revolution in thinking to better our modern world. I aim for readers to reclaim their gifts and power and be responsible for their destiny, growth, and life achievements."
