*Exeter Orthodontics offers affordable braces at five locations across Pennsylvania, including in Harrisburg.* □

HARRISBURG, PA, UNITED STATES, July 7, 2023 /EINPresswire.com/ -- With a long history of

“

Traditional braces are a tried and true method for achieving straighter smiles.”

*Dr. Lauren Wegrzyniak*

excellence and a track record of helping thousands of teens and adults achieve straighter smiles, Exeter Orthodontics is proud to bring its affordable traditional braces to the Harrisburg community.

Founded over a decade ago in Reading, PA, Exeter Orthodontics has established a reputation for providing

high-quality orthodontic care at affordable prices. With their expansion to Harrisburg, Exeter Orthodontics now operates five conveniently located practices across the state, offering their expertise to an even wider audience.

Traditional [braces in Harrisburg](#) have remained the most popular orthodontic treatment option due to their proven long-lasting results and success. At Exeter Orthodontics, patients can receive traditional braces for only \$3995. This all-inclusive price covers everything from initial X-rays to retainers, adjustments, and repairs, ensuring a seamless orthodontic journey without any hidden costs.

Dr. Lauren Wegrzyniak, [orthodontist in Harrisburg](#), highlighted the numerous benefits of traditional braces, stating, "Traditional braces are a tried and true method for achieving straighter smiles. They offer precise control and are particularly effective for complex orthodontic cases. With Exeter Orthodontics, patients can trust that their treatment will be conducted by experienced professionals who prioritize their comfort and satisfaction."

In addition to traditional braces, Exeter Orthodontics also offers [Invisalign in Harrisburg](#). These aligners are a comfortable and convenient alternative for those seeking a more discreet orthodontic treatment option. Invisalign aligners are virtually invisible and can be easily removed for eating, brushing, and flossing, making them a popular choice among both teens and adults.
