Dharmesh Acharya, COO of Radixweb at London Tech Week 2023

London Tech Week 2023 is the flagship #TechEvent that will showcase how tech is transforming society and businesses. The #Technologyevent is scheduled to happen on 12th-16th June 2023 at Queen Elizabeth II Centre, London.

“

We have the opportunity to collectively shape the future and unlock the potential of modern tech. Let's embrace the possibilities and create a world where technology truly enhances lives.”

*Dharmesh Acharya*

Dharmesh Acharya is Director and COO of Radixweb, a global [IT consulting](#) and [software development services provider](#) helping enterprises drive impactful innovation since 2000. Radixweb helps businesses to unlock opportunities, improve operations, and enhance customer experiences with next-gen [app development](#). In a hyper-competitive landscape, Radixweb has achieved mastery of competitive agility by executing with equal strength across growth, profitability, sustainability, and trust.

Dharmesh Acharya is also an active member of the prestigious tech thought leadership group, Forbes Technology Council, where he actively shares his insights on driving value through

emerging tech.

“Excited to be in the heart of innovation at London Tech Week, and ready to immerse myself in the power of tech to drive sustainable innovation, engage with industry leaders and explore the transformative power of technology in society and business. Looking forward to connecting with tech enthusiasts, enterprises and leaders seeking tech consulting, and discussing scalable solutions, unprecedented growth, efficiency, and adaptability. Particularly keen to meet and discuss with visionary counterparts on how to leverage emerging technologies to create new opportunities, improve operations, and enhance customer experiences”, Dharmesh Acharya, COO of Radixweb.

He adds, “Radixweb takes pride in being at the forefront of this remarkable journey towards an amazing tech event to showcase its innovation and creativity-first approach, and to reverb with the dynamic spirit of London’s vibrant tech community.”

With a remarkable track record in leading transformative projects and spearheading digital transformation initiatives, Dharmesh Acharya has solidified his position as a pre-eminent tech industry visionary. With more than two decades of experience and knowledge in the technology sector, he has made significant contributions to developing and adopting innovative solutions that revolutionize industries.

Attendees at #LondonTechWeek 2023 will have the unique opportunity to meet Dharmesh Acharya in person and gain invaluable insights into the world of FinTech, EmergingTech, and HealthTech. As an accomplished thought leader, Mr. Acharya has a deep understanding of the challenges and opportunities in these sectors, and he consistently provides strategic guidance to organizations seeking to thrive in the ever-evolving technological landscape.

To ensure a truly transformative and enlightening experience at #LTW2023, engaging with Dharmesh Acharya is an absolute imperative. His extensive knowledge and expertise will undoubtedly provide attendees, influencers, and technology enthusiasts with a distinct edge and ignite them to redefine the boundaries of technological innovation. Mr. Acharya comes with a redefined vision of new tech frontiers and ideas for impactful innovation that is sure to pave the way for inclusive ‘techprenuership’ for the future. Attendees can connect with him to exchange ideas, seek consulting and a result-driven approach.
