renowned, quintuple Board-Certified Surgeon, [John C. Ferguson](#), MD, FACS today announced that in conjunction with [GetHairMD™](#), it has added a comprehensive suite of FDA-cleared hair loss/enhancement treatments to its robust service offerings.

With this partnership, Dr. Ferguson joins the GetHairMD™ network of experienced physicians knowledgeable in all forms and causes of hair loss.

GetHairMD™ offers a one-stop shop for patients battling hair loss. These solutions range from non-invasive

treatments such as nutritional supplements, prescription topicals, at-home therapies, laser hair growth treatments and stress management products to minimally invasive hair grafting. GetHairMD™ is one of the first in the United States to offer FDA-cleared TransDermal Infusion for hair loss, which drives specially formulated, medical grade serum directly into the scalp for superior results.

"The Ferguson Clinic has been successfully helping patients in Honolulu meet their aesthetic goals with world-class surgical and non-surgical treatment options for years. We have decided that non-surgical hair loss/regrowth was the next logical extension of services to better serve the needs of our loyal patients," said John C Ferguson, MD, FACS. "GetHairMD's full suite of safe and effective clinically-proven hair loss treatment options provide patients with superior results which is consistent with our mission of offering patients the perfect treatment option to meet their goals."

“We are so pleased to be partnering with Dr. Ferguson to bring our proven hair loss/regrowth treatments to patients in Hawaii” said Paul Herchman, GetHairMD CEO, “Hair loss affects over 45% of the adult population in both men and women. Dr. Ferguson and his fantastic team are now offering these breakthrough, proven hair loss solutions to their patients to solve what has become a growing issue for people of all ages.”
