Skill Samurai - [Coding & STEM](#) Learning Centres, Australia's premier technology learning hub for kids, is thrilled to unveil their innovative and exciting Winter School Holiday Program.

Elsternwick Skill Samurai - Coding & STEM Academy

The comprehensive Winter program caters to young learners aged 6-14 years, blending immersive fun with valuable skill development in a secure, supportive atmosphere. This upcoming program expands upon the success of the April Holiday Tech Camps, offering an even more diverse and engaging lineup.

“

This program promises not only an engaging holiday experience but also a unique learning journey that inspires creativity, critical thinking, and problem-solving skills”

Jamie Buttigieg

The Winter School Holiday Program features:

- ❑ 3D Design & Printing
- ❑ Minecraft Coding
- ❑ Roblox Game Development Camp
- ❑ Junior Coding - Game Developer
- ❑ Robotics – Build and Program
- ❑ YouTube Creator
- ❑ Jr. Pokémon Coding
- ❑ Python Game Developer

Skill Samurai's coding and STEM camps offer children more than a simple school holiday pastime. By participating, they are equipped with problem-solving, critical thinking, and creativity skills that are essential for future success in an increasingly digital world. Beyond academic enrichment, the camps provide children with a platform to build confidence, engage socially and make lifelong friends.

The Winter School Holiday Program will be offered at Skill Samurai's modern and well-equipped learning centres in Castle Hill, Rouse Hill, Burwood, Elsternwick, and Ashmore. Each centre is staffed by experienced and passionate educators, dedicated to ensuring a fulfilling, enjoyable learning experience for every participant.

"We are delighted to present our Winter School Holiday Program, expanding our offerings for kids who are passionate about technology," said Jamie Buttigieg, the Australian Franchisor for Skill Samurai - Coding & STEM Learning Centres. "This program promises not only an engaging holiday experience but also a unique learning journey that inspires creativity, critical thinking, and problem-solving skills. We strongly encourage parents to enrol their children and allow them to explore the fascinating world of coding and STEM."
