Private Japanese LessonA private Japanese lesson is a service that allows students to take one-on-one lesson with a Japanese language instructor.

In [Private Japanese Lesson](#), you can receive one-on-one instruction from a teacher who specializes in Japanese language education. Lessons are available for all levels, from beginner to advanced, and can be customized to meet a variety of needs, including business Japanese, daily conversation, and preparation for the Japanese Language Proficiency Test (JLPT). They create a curriculum tailored to the learner's goals and needs, and support the content they wish to achieve.

In addition, lessons are offered on a ticket basis, with each ticket providing a 45-minute lesson. Schedules can be adjusted freely, so even busy people can learn at their own pace. They accept start-up requests throughout the year.

Japanese classes for each level: <https://aoj-ls.jp/en/course/index.html>

AOJ Language School can provide effective and flexible Japanese language training, with the following main points:

Corresponds to small classes and one-on-one lessons

At AOJ Language School, they offer small class sizes and one-on-one lessons with teachers according to the level and needs of each student, ensuring that each student can improve their Japanese language skills.

Affordable tuition fees

AOJ Language School is an online school, making the tuition fees much cheaper than other Japanese language schools. The monthly fee is 14,000 JPY(around 104 USD) per student. This makes it cost-effective and efficient to receive Japanese language training.

Progression every six months

At AOJ Language School, they conduct level-up exams every six months. This allows them to review the curriculum regularly and efficiently advance students' learning, allowing students to progress smoothly and acquire Japanese language skills effectively.

<About Attain Online Japanese, Japanese e-Learning Material>

The Japanese e-Learning material "Attain Online Japanese" produced by Attain Corporation supports Japanese language learners from beginners to JLPT N1. It also has subtitles in multiple languages, allowing learners to study in their mother tongue. Business Japanese materials are

also available.
