VANCOUVER, CANADA, June 7, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- We are thrilled to announce the highly anticipated opening of the Bootleggers Open Air Gala summer series, taking place at the exquisite garden patio of 1931 Gallery Bistro, nestled within the Vancouver Art Gallery. This event series, which promises to be a celebration of art, creativity, and community, will feature six unforgettable evenings of immersive experiences, starting on June 9th, 2023.

The Bootleggers Open Air Gala summer series is the result of a remarkable collaboration among local celebrated designer and creator, Kiarash TK, Cocktail Connoisseur, the creative cocktail brand based in Vancouver and Los Angeles led by Kam Tabarraee and Jean Laven, and Chali Rosso Art Gallery, an exclusive art broker for original work of Chagall, Dali, Miro, Picasso, Andy Warhol and many more modern artists. Together, these visionary entities have come together to create a platform for all generations to come together and connect in a fun, engaging, and creative environment.

At the heart of this event series lies a mission to leverage art as the organic common trigger that transcends time, age, and technology. Each evening, attendees can expect an array of exciting and enchanting experiences that will delight their senses and leave a lasting impression. Among the highlights are the exhibition of original masterpieces of modern contemporary art by renowned artists such as Salvador Dali, Andrew Warhol, Pablo Picasso, and Joan Miro. Adding to the artistic allure, Kiarash TK will present his new multidisciplinary art collections, showcasing his unique and captivating artistic vision.

“This series is the realization of the life-long journey of the creatives of my generation that unjustly have been distanced from the roots of their inspiration. I am glad to be leading an effort to connect and share our creative forces together as a community.” – said Kiarash TK, organizer

and featured artist.

In addition to the visual feast, the master mixologists of Cocktail Connoisseur have crafted an immersive cocktail experience that will transport guests into a world of flavor and sophistication.

“Imagine sipping a sculpture or a painting in a cocktail glass! That is a true cross-creative process which is enhanced by the artisan mixology and craftsmanship” – said Kam Tabarraee and Jean Laven, founders of Cocktail Connoisseur and organizer.

Music will fill the air as a lineup of the best local music producers, DJs, and performers take the stage, providing a lively soundtrack to the evening's festivities. Live art auctions will also take place throughout the events, offering attendees the chance to own a piece of this captivating experience.

Moreover, the Bootleggers Open Air Gala summer series presents a unique opportunity for attendees to mix and mingle with Vancouver's elite creators, artists, and influencers. Engage in stimulating conversations, foster new connections, and share in the magic of this remarkable event series.
