

Paul Askew Delivers New Single “Because of You

The New Single "Because of You" by Paul Askew

JACKSONVILLE, FLORIDA, UNITED STATES, June 7, 2023

/EINPresswire.com/ -- It is with joyous anticipation that Paul Askew aka King Paul announces the release of his new single “Because of You,” available everywhere June 24th.

“Because of You” is the lead single for The Book of Paul: King Paul Version, dropping on July 24th. This comes after a very successful showing of his single “Save Me,” which reached #1 on the Billboard Internet Radio Gospel chart and was nominated for 5 Gospel Music Choice Awards. “Save Me” appears on The Book of Paul which was considered for nomination for the 65th Annual Grammy Awards.

Up Next: Keep an eye out for the next single, “Heartbroken Double.”

Because of ALL of You

Penned by Paul himself, “Because of You” is a feel-good song for the masses. It stands out because it has no genre. It’s in a category all its own. Produced by long-time collaborator, MGEEZY and PPMG artist I Hayes who also sang background, “Because of You” is an uplifting song that music lovers of any genre can appreciate. The melodic vocal rifts coupled with the upbeat track creates an easy flowing vibe that makes you want to bounce and sway along. Paul has been candid about his struggles with mental health and addiction, but this song is about emerging victorious. Thanks to God, his family, friends, and fans, he can smile again.

Chapter 2

Working with I Hayes has been a blessing because he pushed Paul out of his comfort zone. As a

result, Paul has grown vocally and his music is evolving. You can say that this project is the second chapter in The Book of Paul. It's a re-release of The Book of Paul with new songs and new sounds for your listening pleasure. King Paul is managed by Chincia Kenner through PaulPaul Music(PPMG). King Paul also had the privilege to work with artist, producer, Recording Academy President SFO NonaLisa Brown. On the re-release version of the Book of Paul. The album was mixed and mastered by sound engineer Paul Lapinski and recorded at Century Studios in Jacksonville Florida with Aaron Bing
