cooled storage units. This means that no matter what you're storing, whether it's documents or antiques, you can rest easy knowing that they are being stored in a climate-controlled environment with filtered air that protects them from extreme changes in temperatures, smells and dust, which help keep your possessions in great condition.

State-of-the-Art Security Systems:
Security is a top priority at our self-storage facility in Saratoga Springs, UT.

We understand that our customers are entrusting us with their valuable belongings, which is why we have invested in a state-of-the-art access control system that provides access to authorized personnel only. Our facility has over 64 video surveillance cameras and includes technology that allows you to personally monitor your unit.

Variety of Unit Sizes:

We understand that storage needs can vary greatly from customer to customer, which is why we offer a range of unit sizes to accommodate different needs. Our units range from small closet-sized spaces to large mini warehouse sized units, so whether you need to store a few boxes or an entire household of furniture, we have a storage solution for you.
