

Genesis 360, LLC, Successfully Completes \$4.7 Million-Dollar Project for USACE to Fortify Grande Isle, Louisiana

The \$4.7-million-dollar contract for work in Grand Isle, Louisiana, due to Hurricane Ida damage was completed in time for the 2023 Hurricane season.

BATON ROUGE, LOUISIANA, UNITED STATES, June 20, 2023

/EINPresswire.com/ -- [Genesis 360, LLC](#), awarded a 4.7-million-dollar contract from the U.S. Army Corps of Engineers in 2022, successfully completed the project to fortify Grande Isle, Louisiana, and the surrounding area against hurricane and storm-related damage. The contract was part of a 122-million-dollar contract allocated for Post-Hurricane Ida Repairs to Grande Isle.

The contract with the U.S. Army Corps of Engineers consisted of the removal of existing sand and super sacks, sifting of sand, hauling and placing of sand foundations, new super sack placement, hauling and placing of sand cover, and other incidental work at Grand Isle and its vicinity. The contracted work, on the gulf coast of southern Jefferson Parish, is about 50 miles south of New Orleans and 45 miles northwest of the mouth of the Mississippi River.

"Genesis 360 is excited to work with the U.S. Army Corps of Engineers once again. We have become a household name with the U.S. Army Corps of Engineers as well as other commercial and federal agencies due to our proven track record to complete projects ahead of schedule and under budget. We are also passionate about infrastructure and preserving our levees along the Mississippi," said [Craig Stevens, Founder and President of Genesis 360, LLC](#).

Stevens, a Louisiana native and retired Air Force Captain, founded Genesis 360, LLC in 2011.

The federal contract from the U.S. Army Corps of Engineers consisted of the removal of existing sand and super sacks, sifting of sand, hauling, and placing of sand foundations, new super sack placement, hauling and placing of sand cover.

Genesis 360, LLC started as a line striping company and, within 10 years, has grown to secure multimillion-dollar federal contracts. The company offers a variety of services, from landscaping, janitorial, new construction sites, and remodels to construction project management, building and ground maintenance, as well as IT services. Genesis 360, a one-Stop-Shop for all your needs in Construction, Building Maintenance, Ground Maintenance & IT, strives to be the "Amazon of construction," according to Stevens.

Craig Stevens, Founder & President of Genesis 360, LLC.

"We are a veteran-owned maintenance, construction, IT service company.

Some of our services include

commercial construction, facility and

grounds maintenance, and janitorial services- we do it all, hence the '360'. We have been

providing services around the United States for over ten years. We have collaborated with many different businesses and individuals on a day-to-day basis, and we have a favorable reputation

that we take pride in keeping. We build our performance on our three core values: integrity, prompt service, and excellence in all we do," said Stevens.

“

We are also passionate about infrastructure and preserving our levees along the Mississippi."

Craig Stevens, President of Genesis, 360, LLC

About Craig Stevens

Craig Stevens, an Opelousas, Louisiana native who served 25 years in the Air Force and retired as a Captain in the 93rd Bomb Squadron. He started Genesis 360, LLC in 2011 as a parking lot striping company, which has grown to

become a one-stop shop for maintenance, construction, and IT services.
