The podcast will officially launch in June 2023, as Dr. Fred shares his wealth of knowledge and expertise with an audience from different parts of the world.

Dr. Fred Rouse Launches "The REAL Money Doctor Podcast"

Countless people find themselves in these situations, where they need to reallocate funds to address an issue. Unfortunately, as a result, they are often left with very little in retirement savings. Consequently, Dr. Fred has created The REAL Money Doctor Podcast to discuss these very prevalent and popular mistakes, while also sharing how "Short Window Retirement Planning" can be the solution to these mistakes by generating significant retirement income with as little as \$5,000 in your retirement account.

Popularly known as the REAL Money Doctor for the feats achieved, Dr. Fred Rouse is a Best-Selling Author and Financial Expert with years of experience working with different categories of clients from all walks of life across industries. Over the past decade, Dr. Fred has worked in different roles in the financial solutions industry, including tax, asset protection, and trading. He is the creator of the Short Window Retirement Planning program, designed to help people achieve a worry-free retirement.

The REAL Money Doctor Podcast will offer easy-to-implement yet effective tips that will help listeners achieve their financial goals. The goal is to identify mistakes that adversely affect their financial situation when approaching retirement. These mistakes stem from divorce, business

expenses, life events, and any financial decision that inhibits someone from adequately saving for their retirement. Each informative episode takes on the challenges, subsequently highlighting how Dr. Fred's Short Window Retirement Planning can be utilized as a solution to help people achieve the kind of retirement they desire.

The podcast will be available on YouTube, Spotify, Apple Podcasts, and all your favorite podcasting platforms.
