Pro Bono Day: Free Immigration Legal Consultations Tuesday July 18, 2023

“My goal is to make immigration legal help much more accessible and available to people,” said immigration lawyer Evelyn Ackah, herself an immigrant from Ghana. “Many people think legal help is something that’s expensive, making legal mistakes has serious legal consequences and can prevent people from achieving their dream of moving to Canada. Unfortunately, there is a lot of bad advice out there and people hire untrained representatives and waste their money on scams, frauds and but we’ve put together some very affordable options and even free resources for people who want to handle their own case.”
