

Allen University Partners with Coca Cola and Colonial Life to Sponsor Summer STEM Camps

Allen University Will Host High School Students During a Series of Summer STEM Camps

COLUMBIA, SOUTH CAROLINA, US, June 8, 2023 /EINPresswire.com/ -- [Allen University](https://www.allenuniversity.edu/) will host three (3) Stem Camps on campus this summer, with the first to begin on Saturday, June 10, 2023. The first camp series is a Residential Camp, open to Males only, ages 14-18. "The students will be able to get a taste of college life by living on campus for one week, while they engage in STEM and team building activities."-Dr. Oluwole Ariyo, Associate Professor of Biology, Allen University.

The second STEM camp series will be a day camp, sponsored by Allen University, Coca Cola and Colonial Life. This camp is open to high school juniors and seniors and will run from June 12th-17th. The summer STEM Camp series will be rounded out by another Residential Camp, open to Females only, ages 14-18. Students who successfully complete the Residential Camps (male and female) will receive a \$150.00 stipend.

"We look forward to hosting some of the Nation's scholars on our historic campus, and introducing them to the idea that All That Can Be Imagined is being Achieved at Allen University."-Dr. Ernest C. McNealey, President.
