

# Propositions Returns to the 2023 SHRM Conference with New Content and Services

*Propositions, Inc. announced it will reveal new content, authors, and more at the upcoming 2023 SHRM Conference in Las Vegas from June 11th - 14th.*

DES MOINES, IOWA, UNITED STATES, June 8, 2023 /EINPresswire.com/ -- Propositions, Inc. announced that the organization will be returning to SHRM for the 2023 SHRM Conference in Las Vegas, Nevada, from June 11th – 14th. They will be sharing newly released micro and nanolearning training content from their DashTrain library, information about upcoming projects with new authors, and more.

"We are excited to return to the SHRM 2023 conference this year," said Robin Salsberry, President of Propositions, Inc.

"We've been busy adding to our DashTrain library of microlearning content, and we're also rapidly expanding our new EZPZ library of nanolearning content. Our show team can't wait to meet with our customers and SHRM Expo attendees to share more about these new releases and updates."

New training content Propositions will present at the conference includes:

- Working with Gen Z with Dr. Santor Nishizaki
- Scaling Culture with Ron Lovett
- Eating & Living Well with Ashley Danielson
- How to Control Stress with Liz Nead
- De-Escalation – How to Work with Difficult People with Jim Sporleder
- And More!

Other new releases include hundreds of new videos in a nanolearning format. These short “how-to” EZPZ Videos are designed in a mobile-first format and are perfect for performance support and training augmentation uses.

“Come see us at booth #2700 to learn more about our new micro and nanolearning courses as well as the new authors we have joining our team of subject matter experts,” said Jill Dillenburg, SVP of Sales and Marketing for Propositions. “We’ll be wearing our light-up shoes again and have drawings to win a pair of these shoes. We’ll also have other gifts and discount coupons to give away. Look out for the green DashTrain backdrop!”
