[Weaver Technologies](#), LLC, a leading provider of innovative IT solutions, is proud to announce a milestone achievement: earning a position on CRN's distinguished 2023 Solution Provider 500 List.

CRN's annual Solution Provider 500 ranks North America's largest solution providers by revenue and serves as the gold standard for recognizing some of the channel's most successful companies. This year's list of companies

represents combined revenue of more than \$475.9 billion, and the honorees are among the top influencers impacting today's IT industry and the global technology supply chain.

"Weaver Technologies is incredibly honored to be recognized on this esteemed list of solution providers," expressed Donald Weaver, Founder and CEO of Weaver Technologies. "This achievement underscores our unwavering commitment to delivering exceptional solutions and services to our valued customers. We greatly appreciate the trust they place in us, as well as the strong partnerships we have formed with industry-leading organizations. Our customers and partners are at the core of our success, and we are dedicated to continuing our collaborative efforts to drive innovation, growth, and shared success."

Weaver Technologies' inclusion in the Solution Provider 500 list marks its debut as one of the top 35 newcomers. This notable achievement reflects the company's rapid growth and its adeptness at staying agile in the dynamic technology landscape.

"It's a distinct honor to recognize CRN's 2023 Solution Provider 500. These are today's top technology integrators, strategic service providers, and IT consulting firms, making this list the go-to resource for creating strategic partnerships among technology vendors and today's top-performing IT solution providers," said Blaine Raddon, CEO of [The Channel Company](#). "My

heartfelt congratulations go out to each of these companies for the significant impact they make on the continued growth and success of the IT channel."

CRN's 2022 Solution Provider 500 list is available online at <http://www.CRN.com/SP500> and a sample from the list will be featured in the June issue of CRN Magazine.
