The numbers don't lie:

- [57% of dads](#) in the United States play video games regularly, and 75% of them do so with their children.

The reality is dads who are not playing video games are in the minority.

With a major restock of vetted products from top brands, CORE Gaming makes gift buying for gaming enthusiasts easy. From award-winning gaming backpacks to reliable

mobile power, CORE Gaming offers something for everyone and every budget. Here are a few top choices:

Popular with both newbies and longtime gamers, the award-winning [CORE Gaming Backpack](#) offers style and functionality dads and grads appreciate. With its sleek, streamlined design, gamers of all ages can wear it anywhere, from the office to college campus to gaming events. Its

spacious main compartment fits laptops up to 17 inches, and the interior features divided sections for gaming accessories, mobile power, and even personal items. Exterior, zippered pockets store cables, headphones, and more—so everything has its place. Dads and grads can be super organized and enjoy quick access to their gaming essentials.

The new CORE Power 24,000mAh AC/USB Laptop Charger is the perfect companion for mobile dads and grads. Lightweight, compact, and travel-friendly, this mobile power pack charges up to four devices at once. It also packs enough power to charge a laptop. Highlights include a standard AC outlet, dual High-Power USB Outputs, a fast-charge USB C port, plus world class safety features to protect against overcharging and short circuits. It comes with a 20W USB-C PD wall adapter and USB-C to USB-C charging cable.

LucidSound's LS15P Wireless Gaming Headset is ultra-lightweight and comfortable. This headset lets dads and grads upgrade their audio for work, school, and play without breaking the bank. It works great with PlayStation 5, PlayStation 4, and PC. Features include intuitive quick-access audio controls, interference-free wireless connectivity, custom-tuned 50mm drivers, and a dual-mic system.

Another great headset is LucidSound's flagship LS50X Hybrid Wireless and Bluetooth Gaming Headset for Xbox. It features lag-free wireless audio and chat for Xbox gaming and simultaneous Bluetooth connectivity for total wireless freedom. Gel-cooled earpads combine with dual noise-canceling mics and powerful custom-tuned drivers to make this the ultimate Xbox headset. Officially licensed for Xbox, it works on Xbox Series X|S.

HyperGear's SoundRecon RGB LED Gaming Headset offers full-range stereo surround sound, long-wear comfortability, and dynamic RGB lighting. Using the 3.5mm jacks, gamers enjoy multi-platform compatibility for easy transitioning between PC/Mac, console, or mobile devices. Custom-tuned 40mm neodymium drivers provide a phenomenally immersive sound experience.

PowerA's FUSION Pro Wireless Controller for Nintendo Switch offers premium materials and pro-level gaming features. This Bluetooth-enabled gamepad includes swappable black and white faceplates, a 3.5mm stereo headset jack, and a premium protective case.

Both dads and grads can use a break from digital eye fatigue. The Visione VX500 Blue Light Blocking Computer and Gaming Glasses from Arozzi help protect from potentially harmful blue light, filter over 99% of UV, and help reduce eye soreness.

For the essentials new gamers need to get started at a budget-friendly price point, HyperGear offers popular "4-in-1 Gaming Kits." The Red Dragon style kit includes a full-sized keyboard, a 6-button scroll-wheel mouse, stereo headphones, and a large gaming mousepad. Better yet – everything is designed to work together right out of the box!
