

# Great Spirit Animal Sanctuary at Capacity, Launches Fundraising Campaign for Expansion Project

*Great Spirit Animal Sanctuary, a 501c3 non-profit dedicated to provide a permanent home for at risk animals, is at full capacity and urgently seeking donations.*

SNOWFLAKE/TAYLOR, AZ, UNITED STATES, June 9, 2023 /EINPresswire.com/ -- With the recent increase in animal abandonment and abuse cases in the area, [Great Spirit Animal Sanctuary](#) is currently housing more animals than ever before. The sanctuary is at capacity and is struggling to provide care and resources for all of the animals in need.

"We are overwhelmed with the number of animals that need our help right now," said Tom Ziebell, founder of Great Spirit Animal Sanctuary. "We are doing everything we can to provide them with the care and love they deserve, but we need the help of our community to continue our mission. There are so many animals facing euthanasia that need our help to save and provide a permanent home."

serve the animal community. The expansion project will include the construction of state-of-the-art enclosures, enhanced veterinary facilities, and additional acreage to provide a more spacious and enriching environment for our animal residents.

At Great Spirit Animal Sanctuary, we believe in promoting animal welfare and conservation while providing a safe and nurturing space for animals in need.

Our sanctuary houses a diverse range of animals, including animals at risk of being euthanized by other facilities, rescued animals, and domesticated animals who have suffered abuse, neglect and have ongoing medical needs. Through our dedication, we strive to educate the public about the importance of preserving life and the need for responsible animal stewardship.

To make our expansion plans a reality, we are seeking the support and generosity of animal lovers, corporations, and philanthropists who share our commitment to animal welfare and conservation.

We invite all individuals and organizations who believe in our cause to contribute to our fundraising campaign. Your [donation](#) will directly impact the lives of countless animals and help us create a brighter future for them.

Great Spirit Animal Sanctuary relies solely on donations from the community to operate. Donations are used to provide food, shelter, medical care, and other necessary resources for the animals in their care. Every donation, no matter how small, makes a difference in the lives of these animals. All donations are tax-deductible.

"We are grateful for every donation we receive," said Tom Ziebell. "It is because of the generosity of our community that we are able to continue our mission and provide a safe haven for these animals. We are a volunteer organization."
