

Keystone Clinic & Surgery Introduces Comprehensive Health Screenings for All Ages and Genders in the Heartlands

Keystone Clinic & Surgery is Singapore's leading one-stop clinic dedicated to providing comprehensive health screenings for all ages and genders.

SINGAPORE, June 22, 2023

/EINPresswire.com/ -- [Health](#)

[screenings](#) play a crucial role in maintaining optimal health and well-being, as they facilitate the early detection of potential health issues when they are most treatable.

Recognising the significance of preventive care, [Keystone Clinic & Surgery](#) is proud to announce the

availability of a range of health screening packages tailored to meet the needs of its residents in the Heartlands.

“

Keystone Clinic & Surgery aims to empower individuals to take charge of their well-being and make more informed decisions about their health.”

Dr. Ho Ying Jie

Dr. Ho Ying Jie, a resident doctor at Keystone Clinic & Surgery, emphasises the importance of early detection and treatment of chronic diseases. Dr. Ho states, "Early detection and treatment of chronic diseases is key to a happier and healthier life in our later years." With this statement, Dr. Ho underscores the clinic's mission to promote a proactive approach to health, encouraging individuals to prioritise regular health screenings and medical check ups to catch potential health concerns at their earliest stages. This is in line with the new

HealthierSG initiatives and personalised Health Plans being released this year.

To ensure accessibility for all residents, Keystone Clinic & Surgery is pleased to inform the public that certain health screenings may qualify for government subsidies. Individuals are encouraged

to schedule a consultation with the clinic's healthcare professionals to obtain detailed information regarding subsidy eligibility and the available health screening packages.

By making health screenings readily available and tailoring them to the diverse needs of the community, Keystone Clinic & Surgery aims to foster a culture of proactive health management in the Heartlands. The clinic's commitment to providing comprehensive healthcare services and promoting early detection serves as a testament to their dedication to the well-being of the community.

Dr. Ho Ying Jie states, "With a deep commitment towards a [healthier Singapore](#), Keystone Clinic & Surgery has been equipped to provide health screenings for individuals of all ages and genders. By offering a comprehensive selection of preventive health screenings, the clinic aims to empower individuals to take charge of their well-being and make more informed decisions about their health."

About Keystone Clinic & Surgery
