HOUSTON, TEXAS, UNITED STATES OF AMERICA, June 9, 2023

/EINPresswire.com/ -- Equator

Advanced Appliances is announcing the launch of its Super Washer + Compact Vented [Dryer](#) Stackable Set (EW 824N & ED 860 models) throughout Canada. Set to hit the market this summer, this appliance bundle has received exceptional reviews throughout the US for its ability to save space and save time. It also comes with a long list of innovative features that are already shaking up the laundry appliance industry.

"We are so thrilled to be able to finally offer our latest washer-dryer stackable set to our loyal Canadian customers," said Nick Mathews of Equator Advanced Appliances. "The EW 824N & ED 860 models have been designed to save time and save space, as well as provide one of the most convenient washing and drying experiences available anywhere."

Using its easy to access controls, the washer comes equipped with an exciting 12 wash programs — including Heavy, Towels, Standard, Quick 20, Baby, Delicates, Self Clean, Drain only, and Rinse/Spin. This high-capacity washer also comes with a delay start feature (for up to 24 hours), advanced stain removal, automatic water and dry level (when used with the dryer), Winterize Cycle for cabins, RVs, and boats, and Quiet Function.

After using the automatic washer, users of the bundle can quickly and efficiently dry their

laundry in the Compact Vented Dryer. Switch between two drying options (timed and auto) to ensure that each load is dried as desired. Other top features include a secure child lock, anti-wrinkle guard, and a 180° door swing.

For those desiring to stack this washer and dryer bundle, the set comes with a free stacking kit.

The Equator Super Washer + Compact Vented Dryer Stackable Set can be purchased directly through Amazon, Home Depot, Overstock, Lowe's, Wayfair, and with major appliance retailers nationwide for \$ 1,679
