Bordering the New River Gorge National Park, the site also serves as the permanent home for the Boy Scouts of America’s National Jamborees and features more than 14,000 acres of excitement and once-in-a-lifetime experiences that will help attendees “Live Scouting’s Adventure.” At the 2023 National Jamboree, Scouts will experience a wide range of thrilling adventure activities, including:

- o Zip-lining over 3,200 linear feet of cable across the picturesque Summit Bechtel Reserve.
- o Mountain biking on trails covering 33 miles
- o Skateboarding in the second largest skate park in the world
- o Technical climbing on an incredible man-made facility, hand-sculpted to mimic the local rock formations of the nearby New River Gorge
- o Shooting sporting clays and trap on a range ranked #3 in the world for shooting opportunities
- o Riding on a world-class BMX course ranked #2 in the world for square footage of facilities
- o Aquatic sports including swimming, kayaking, and paddle boarding
- o Experiencing white water rafting through the New River Gorge National Park surrounded by the stunning West Virginia scenery
- o Playing multiple disc golf courses devised to challenge their skills within the mountain terrain

and wooded landscape of SBR –
Summit Bechtel Reserve

- o Taking part in a Spartan Race where Scouts will team-up to climb over, crawl under, run past and navigate a challenging course of obstacles

Scouts will also take part in a variety of inspirational and educational experiences, including:

- o Exploring STEM by programming autonomous vehicles to race around a track or utilizing hand gestures to control drones in the Scout vs. Drone cage match
- o Discovering how NASA is moving forward toward human exploration of Mars, and how the Artemis program will take humans back to the moon to stay
- o Practicing Orienteering, the ability to use a highly detailed map and compass to find their way
- o Earning any one of dozens of different Merit Badges ranging from Archaeology, Chemistry, and Engineering to Fishing, Forestry, Robotics, Sustainability, Theatre, and Welding
- o Joining the team from United States Patent and Trademark Office to discover, design, create, and innovate while learning what it takes to change our world through inventing and entrepreneurship
