

# Refugee Week 2024: SocialBox.Biz update on reusing and donating old macbooks and laptops in London, UK

LONDON, ENGLAND, UNITED KINGDOM, June 12, 2023

/EINPresswire.com/ -- This Refugee Week, SocialBox.Biz is calling on businesses and members of the public to donate their old laptops and other tech to their Laptops for Homeless, Refugees, and Older People in isolation initiative from SocialBox.Biz Community Interest Company helping refugees, homeless people moving into accommodation and other disadvantaged people who can afford computers.

"As we mark Refugee Week, it's important to remember that refugees are people just like us who have been forced to flee their homes due to conflict or persecution," said SocialBox.Biz founder

SocialBox.Biz Social Impact Consultant Carolyn Williams said, "We are the only community interest company re-homing old but usable tech from companies, universities, and other large organisations and placing them in the hands of the disadvantaged in local UK communities in this way. We provide on-site data removal service and load the technology with open source software, solving common problems for IT teams and social impact problems for our clients. We've done a lot, but we will do a lot more with the help of more partners."
