

Charleston Estate on Historic Chalmers Street to be Sold at Online Auction June 26th

Located in the French Quarter District of Charleston, this signature property in South Carolina will be sold via Interluxe Auctions with a starting bid of \$750K

CHARLESTON, SC, UNITED STATES OF AMERICA, June 12, 2023

/EINPresswire.com/ -- Interluxe Auctions, the leading online luxury real estate auction marketplace, is excited to announce the upcoming June 26th online auction for the [French Quarter Triplex](#) in Charleston, SC. The property was previously listed for \$3.29 million and is now going to auction with a starting bid of \$750K on Monday, June 26th at 9:00 a.m. EDT.

The 6,119± sq. ft., 13 bedroom, 6 full and 1 half bath estate offers limitless possibilities. Situated along the

picturesque cobblestone road of Chalmers St., the property features high ceilings, original architectural features, two front porches, and scenic downtown views of Charleston. Currently utilized as a 3-unit property, the estate can remain income producing or be converted into a single-family home.

Chalmers Street remains one of the few original cobblestone streets in Charleston. Named after a physician, the history of this famed street begins in the 17th and 18th century. The cobblestones or ballast stones were used to stabilize incoming ships until they were filled with cargo to return to the east. The stones useless to the shippers were discarded until colonists repurposed them to pave the muddy streets.

“The French Quarter Estate is an icon of architectural brilliance and a testament to Charleston’s rich history and culture,” stated Bunker Burr of Oyster Point Real Estate Group. “We are
