Benchmark Gensuite® has been honored as a Greater Cincinnati and Northern Kentucky 2023 Top Workplace by the Enquirer Media Top Workplaces.

CINCINNATI, OHIO, UNITED STATES, June 13, 2023 /EINPresswire.com/ -- Benchmark Gensuite®, provider of the industry-leading platform of digital Environmental Health & Safety & Sustainability solutions, has been honored as a Greater Cincinnati and Northern Kentucky 2023 Top Workplace by the Enquirer Media Top Workplaces.

These Top Workplaces were determined by employee feedback gathered through a third-party survey administered by employee engagement technology partner, Energage. The confidential survey uniquely measures 15 culture drivers that are critical to the success of any organization including alignment, execution, and connection, just to name a few.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”

Benchmark is honored to have received this recognition. It is a testament to Benchmark’s sustainable work culture that promotes work productivity and the personal life of its employees.
