and CEO of The DCRO
Institute*

Erkan serves as a member of the Board of Directors, Audit Committee Chair, Corporate Governance Committee Chair, and Credit Committee Member for Citibank A.S. in Istanbul. In this role, he supervises Internal Audit, Operational Risk Management, Internal Control Unit, Compliance, Regulatory Risk Management, and Information Security and is responsible for regulatory engagement. Previously, he served as the Head of Internal Control and Operational Risk Management Cluster Head for Citi. Erkan is a Certified Internal Auditor, Certified Information Systems Auditor, and Certified Information Management Professional. He earned his degree in

Economics from Marmara University and a Certificate in Executive Leadership from the Cornell Johnson Graduate School of Management.

"I am very pleased to see Erkan complete our program and earn this recognition," said David R. Koenig, President and Chief Executive Officer of the DCRO Institute. "There is a growing importance that risk and the positive, smart embrace of risk knowledge play in board strategic discussions and oversight, where he will play a key role."

The Certificate in Risk Governance® is awarded to those who have completed The Board Members' Course on Risk® - an intensive 17-course education program and evaluation. The curriculum is designed for current and aspiring board members who seek to advance the governance of risk-taking at their organizations and those who interact with boards. Taught by

some of the world's leading figures in risk governance, the program features lessons by nearly 50 board members, c-level executives, and well-known authors from five continents. No course on risk for board members as robust as this - depth, practicality, and global expertise - exists anywhere else.

"I highly recommend the Certificate in Risk Governance program to all fellow board members," said Mr. Doğan. "With all the materials and lectures it was very instrumental in enhancing my knowledge in all risk stripes and governance structures. I'd like to thank the DCRO Institute for creating such a great program."
