

A French Speaking Louisiana Hound Dog Predicts Donald Trump's Fate and Even Names His Cellmate

A Louisiana Catahoula Hound Dog Pens Satirical Book Showing How Trump's Self-incriminating Behavior Sends Him to the Doghouse (or the Big House)

WASHINGTON, D.C., DC, USA, June 13, 2023 /EINPresswire.com/ -- As Donald Trump answers criminal charges, a little Louisiana dog shows how it's too late for "The Big Dog." The Louisiana Catahoula Hound Dog, who is a life-long Republican, wrote this satirical book pointing out Trump's self-inflicted doom in a unique but simple literary format using a charming and playful dog!

New Book by Saavy Dog

The book rakes Trump over coals by speaking in French (with the English translations in small print at the bottom of the pages for readers who don't know French) and Trump, who is too much of stable genius to need a translator, takes the dogs damning critiques as flattery, so Trump sends out gushy 'thank you' notes to the dog making it for a knee-slapping book.

“

it is clearly a must-read for Republicans with an 8th grade education”

The Louisiana Catahoula Hound Dog, who is a life-long Republican, wrote this satirical book pointing out Trump's lies, corruption, and indecency in a unique but simple format using a charming and playful dog!

Cajun Beau figured the literary device of a hound dog will attract dog-lovers, hunters, pickup

truck drivers, and Fox News listeners.

Beau asks readers who appreciate the book to mention it on their digital media pages like Facebook pages to give the book a viral spin on the internet.
