

William Howard Taft University Offers Flexible Online MST Program for Busy Professionals

Classes Start June 27th - Enrollment is Now Open

LAKEWOOD, CO, UNITED STATES, June 15, 2023 /EINPresswire.com/ -- [William Howard Taft University](https://www.taft.edu) is proud to offer its [Master of Science in Taxation \(MST\) program](https://www.taft.edu/mst) completely online. Ideal for certified public accountants, enrolled agents, and other tax professionals who wish to advance their careers, this program is designed to provide students with the flexibility to manage their studies around their life. Taft is an IRS approved continuing education provider and successful graduates of the program will:

- acquire research skills necessary to evaluate and apply current areas of tax law and tax related legal issues relating to business, corporate structure, and individual tax procedures and strategies; and
- build a solid foundation of understanding of the laws pertaining to tax procedure and how the IRS interprets/applies those laws; and
- learn techniques for analyzing and resolving taxation issues, including identifying problems, researching and locating relevant law, and applying the legal rules to facts to arrive at conclusions; and
- gain abilities to effectively communicate tax research to clients and the community of tax professionals, and make appropriate recommendations based on sound reasoning and analysis.

The program is presented using online technology, eliminating the need for classroom or seminar attendance. This allows students to access course materials and lectures from anywhere with an internet connection. Taught in an Independent Study modality, students can complete their studies at their own pace during each eight week session.
