

Reno Med Spa Performs Full Spectrum of Non-Surgical Aesthetic Treatments

M Spa, the non-surgical side of leading Reno practice McCormack Plastic Surgery, offers the full range of body contouring, anti-aging, and skincare services.

RENO, NV, USA, June 15, 2023 /EINPresswire.com/ --

The popularity of non-surgical aesthetic treatments has grown significantly in recent years, offering patients a wide range of options to improve their unique concerns with minimal invasiveness and downtime when compared to surgical procedures.

At M Spa, a leading non-surgical facility in the Reno and Lake Tahoe area, patients in Northern Nevada have access to the complete spectrum of aesthetic services, including radiofrequency microneedling, [laser skin resurfacing](#), non-surgical fat removal, and [BOTOX®](#) Cosmetic, among other injectables and skincare treatments.

The personalized med spa treatments at M Spa can provide non-surgical enhancement whether

individuals are not quite ready for cosmetic surgery or simply aiming to touch up the results of a prior procedure. Popular treatment offerings include body contouring with CoolSculpting® Elite and CoolTone™, skin and facial rejuvenation with Genius® RF microneedling, and anti-aging injectables like JUVÉDERM®, Sculptra Aesthetic®, and Revance®. These services can achieve a myriad of aesthetic goals, from catalyzing healthier and younger-looking skin to reshaping areas of the body prone to fat buildup. No matter a patient's needs, a custom treatment plan is tailored according to each person's individual concerns and desired results.

M Spa, which refers to the non-surgical component of McCormack Plastic Surgery, offers a private and state-of-the-art facility fully equipped to accommodate a diverse range of patients' needs. Those considering aesthetic treatments can even opt for a VIP Membership to the practice, which affords enrollees reduced pricing, member-only specials, and exclusive savings all year long. As Medical Director of M Spa, [board-certified plastic surgeon](#) Tiffany McCormack, MD strives to provide patients with the full spectrum of the latest, most effective treatment options

to truly identify the best approach for their unique aesthetic goals. As the winner of several Best of Reno Awards in 2023 — including “Best Plastic Surgeon,” “Best Medical Spa,” and “Best Plastic/Cosmetic Surgery Center” — Dr. McCormack and her team would like to thank Reno patients for their unwavering trust and support.

About Tiffany McCormack, MD, FACS

Dr. Tiffany McCormack is a board-certified plastic surgeon who specializes in aesthetic procedures for the face, breasts, skin, and body. A Fellow of the American College of Surgeons, Dr. McCormack received her plastic surgery training at the renowned Stanford University. She was voted “Best Plastic Surgeon” by the Best of Reno Awards 2022 and 2023, and was recognized among the “Best of Northern Nevada” by Reno News & Magazine. Dr. McCormack is a member of national professional organizations including the American Society of Plastic Surgeons (ASPS) and the American Society for Aesthetic Plastic Surgery (ASAPS). In addition to her role as the founder and lead plastic surgeon at McCormack Plastic Surgery, she also serves as Medical Director at M Spa, which was honored this year as a winner in the “Best Medical Spa” category by the Best of Reno Awards. Dr. McCormack is available for interview upon request.
