With this partnership, Dr. Yee joins the GetHairMD™ network of experienced physicians knowledgeable in all forms and causes of hair loss. Dr. Yee will also serve on the GetHairMD™ clinical advisory board as it continues its nationwide expansion.

GetHairMD™ offers multifaceted, personalized solutions for patients battling hair loss. These solutions range from FDA-cleared non-invasive treatments such as in office clinical laser hair growth treatments, at home light-based

therapies, nutritional supplements, prescription topicals, PRP and stress management products to minimally invasive hair grafting. Additionally, GetHairMD™ offers a specialized pretreatment oral swab genetic test that allows practitioners to personalize hair loss treatments for patients and banking hair follicles for future regenerative treatments for hair and other applications. GetHairMD™ is one of the first in the United States to offer FDA-cleared TransDermal Infusion to treat hair loss, which drives specially formulated, medical grade serum directly into the scalp for superior results.

"Dr. Yee Cosmetic and Laser Surgery Center has been successfully treating patients' surgical and non-surgical aesthetic needs for years and recently decided that this partnership will significantly enhance the services we offer our patients," said Dr. Yee. "GetHairMD's full suite of safe and effective clinically-proven hair loss treatment options provide patients with superior results which is consistent with our mission of offering patients the perfect treatment option to meet their needs."

“We are so pleased to be partnering with Dr. Yee to bring our proven hair loss/regrowth treatments to patients in Little Rock and the surrounding areas” said Paul Herchman, CEO, GetHairMD, “Hair loss affects over 45% of the adult population in both men and women. Dr. Yee and his fantastic team are now offering these breakthrough, proven hair loss solutions to their patients to solve what has become a growing issue for people of all ages.”
