In a world where Black men are expected to navigate life's complexities without a map, "The GENTLEMN Guide to Life" steps in as an empowering and practical manual. The book is a reflection of the founder's life experiences, growing up in a household with a local police officer for a father and an entrepreneurial minister for a mother, and a commitment to provide the guidance and mentorship that every Black man deserves.

“

Representation matters. By creating this book, we place the experiences of Black men at the forefront.”

Canaan Dewey

Through extensive research and curation of practical knowledge, Canaan Dewey, the Founder and CEO of The GENTLEMN Company, has assembled a valuable resource that covers crucial areas such as money management,
