TULUM, QUINTANA ROO, MEXICO, June 17, 2023 /EINPresswire.com/ -- More than just a hotel, [Shibari Tulum](https://www.shibaritulum.com/) offers a unique experience, a place surrounded by nature with a natural cenote at its core and heart, featuring crystal-clear water.

This exclusive resort is inspired by Shibari, the Japanese art of rope tying to express emotions and sensations, thus the design, adorned with knots and bindings, invites guests on a journey to connect, release their knots, and liberate themselves.

The Tuuch cenote is the essence and centerpiece of our facilities, which is why our guests have exclusive access to it and the possibility to comfortably enjoy it in our Club Cenote

At Shibari Tulum, guests will immerse themselves in a contemplative and vibrant atmosphere in the heart of Tulum's hotel zone. This exclusive
