"It is exhilarating to have a team member of the caliber of Jason; I have known him for years and am glad he is here," stated Nathan Gampel, CEO of Transformation Insights and Managing Partner at Simpel and Associates.

Before joining Transformation Insights, Jason Engelhardt served as the Chief Financial Officer (CFO) of Wealth Management for TIAA, where he played a pivotal role in optimizing financial strategies and spearheading transformative initiatives. More recently, he held the position of COO at a prominent Fintech company, recognized as "one to watch" by Global Custodian, where he made significant contributions to its growth and operational excellence.

Jason Engelhardt's appointment as COO of Transformation Insights reflects the company's commitment to attracting top talent to drive innovation and deliver cutting-edge solutions to clients. Mr. Engelhardt expressed his enthusiasm about joining the team: "I am excited to join Nathan and the entire Transformation Insights team. As the COO, it is akin to embarking on a thrilling voyage where innovation meets opportunity. Together, we harness the power of

technology, strategy, and collaboration to redefine the landscape for transformation, finance, and supply chain management."

Throughout his career, Jason Engelhardt has held critical positions at renowned organizations such as American Express and JPMorgan. His diverse background and deep industry knowledge will make him a valuable addition to the Transformation Insights team as they continue to revolutionize the fields of enterprise business intelligence and change management.
