'Ozzin Jun teases her first song release: She speaks her 'true mission' in her new song with Jay Udeh.

Ozzin has been well-known so far in the space as a business mentor and coach, helping entrepreneurs build their successful business. This year in January 2023, she's been running through streets, subways and recorded last minute a song with Jay Udeh in London. Ozzin spoke about the elephant in the room in a new interview with Brainz Magazine. "Yes! I recorded a new music video and song this January 2023 in London with a friend of mine, Jay Udeh. It was a very spontaneous. We wrote the lyrics last minute, booked the studio on the same day and rehearsed the rap in the car on our way there. This idea all emerged from us goofing around, speaking to each other about Kpop, dancing, and just saying: let's do a freaking music video!" said Ozzin. "The song is about masculine and feminine energy and about world unification. We speak about the coaching space, and beyond business some wisdom we want to convey to the world in a funny, twisted and light-hearted way. It's soon available on my YouTube Channel." She highlighted.

"We are WINNERS because of this world. There is no separate entity of us but we all live united in each other and within each other. When we adopt an open mind, a collective mind of unity to thrive together, we all win", says Ozzin.
